Randolph Township Road & Bridge Renewal Levy Issue 22

On November 2, Randolph Township is asking the voters to **RENEW** a 2 mill, 5 year Road & Bridge Levy. We strive to maintain our roads and equipment to the highest standards possible. Over the last 5 years we have paved 5 roads for a total of 6 miles paved. We continuously seek grants from the Ohio Public Works Commission to help pay for 50% of these projects and stretch your tax dollars.

We have an aggressive chip and seal campaign to help extend the life of the roads that we have already paved. In the last 5 years we have chipped and sealed 33.7 miles of road.

In 2009 we started a campaign of doing our own crack sealing. This will further extend the life of our roads.

We take great pride in having some of the best township roads in the area. As you can see we are constantly seeking ways to get the utmost from your tax dollars.

Thank you for your continued support of our Road and Bridge Levy !

Waterloo Local Schools Issue #8

Issue # 8 asks for 8 mills, will cost the owner of a \$100,000 property about \$20/month and is intended to cover increased operating costs through 2014 provided there are no further state reductions or unfunded mandates.

The last time the Waterloo Community passed additional operating millage was 1995. That levy was intended to last 5 years. Due to many factors such as increased efficiencies of the new schools and board implemented cost containment measures, it lasted Waterloo 15 years.
